**Subject: DRI #203 - Beacon Woods East, Pasco County, 4-Year Buildout
Date/Development Order Expiration Date Extension**

Dear Ms. Johnson:

The Tampa Bay Regional Planning Council is in receipt of your September 12, 2011 correspondence requesting an extension of Beacon Woods East Development Order by a four year period in accordance with HB 7207 adopted by the Florida Legislature in 2011 and subsequently signed into law by the Governor. Council staff will immediately update our records to reflect the requested extensions for the Beacon Woods East DRI.

In this particular case, Council records will reflect that the revised buildout date of December 15, 2017 and the revised Development Order expiration date of the same for the project.

Please note by copy of this correspondence, Council staff hereby additionally requests a copy of the local government's concurrence (in the form of a letter, Ordinance or Resolution), once established, recognizing such extensions for our records and corresponding Development Order file.

If you should have any question(s), please do not hesitate to contact me.

Sincerely,

John M. Meyer
DRI Coordinator
